Gonzalez is a documented gang member of the Crips street gang. His extensive adult criminal history began at the age of 18. His convictions include attempted robbery, illegal possession of a firearm and ammunition, carrying a concealed weapon, resisting arrest, petty theft, receiving known stolen property, possession of narcotics for sale, and violations of parole supervision. He has served multiple state prison terms, the longest a four (4) year term for illegal possession of firearm and ammunition. Gonzalez was released from state prison to the supervision of the Los Angeles County Probation Department on April 22, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109), the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in January 2014 after he absconded from post release community supervision (PRCS). Gonzalez, qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of narcotics for sale is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status, as well as his current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
